Resopathy™: Optimizing the Biological Matrix

Kimchi Moyer
May 12th, 2018
Louisville, KY

Resopathic Case Studies

The following cases are bioenergetic assessments designed to understand the energetic tendency and behavior of the body. These, in no way constitute or replace diagnoses given by your primary healthcare professional.

Case # 1

| | | | |
|-------------|---|---------|----------------|
| Date: | Jan 5, 2018 | Age: 25 | Gender: Female |
| Profession: | Tax Consultant | Dx/C/o: | Body Acne |
| History | Persistent bad body acne kept breaking out on back and shoulders for years. No treatment would help. Silver gel healed the wounds but it kept coming out. Vomiting after eating on few occasions. Consumed mostly restaurant food. | | |
| Meds | None | | |

Case # 1

| | | Key Remedies |
|------------------|----------|--------------|
| Biological Index | 7-9 | |
| Food Poisoning | - | |
| Most Stressed | Adrenals | Ga Adrenals |
| A/B Acidic + | 40% | |
| A/B Alk | - | |
| Bacterial + | 40% | Lymph Detox |
| Viral | - | |
| Molds | - | |
| Yeasts + | 60% | Kombucha |

Case # 1

| | | Key Remedies |
|--|---------------------------|--------------------------|
| Minerals + | 60% | Colostrum LD |
| Vitamins + | 60% | Colostrum LD |
| Enzymes + | 60% | Colostrum LD |
| Hormones + | 50% | |
| Psyche + Dep ¹ Dep ² | 40% - - | |
| Food Allergy + | Beef, Veal, Wheat, Coffee | Avoid these foods |
| SI dysbiosis + | 60% | Colostrum LD Kombucha |
| LI dysbiosis + | 40% | |

Case # 1

Recommendations

Avoid beef, veal, gluten and coffee

Ga Adrenal

4 caps-2x/day for 2 months

Lymph Detox

2 dropper fulls-2x/day for 2 months

Colostrum LD

2 caps-2x/day for 2 months

Case # 1

Results:

Has not experienced any breakouts on body for the first time in many years since changing diet

Case # 2

| | | | |
|-------------|--|---------|--------------|
| Date: | Mar 5, 2018 | Age: 29 | Gender: Male |
| Profession: | Filmmaker | Dx/C/o: | Bursitis |
| History | <p>Jan 26, 2018-Shooting pain in shoulder. Can't raise arms.</p> <p>Dec 2017-Bursitis on R elbow</p> <p>2008-Intestinal parasite Was on lots of antibiotics but didn't help. Since then, developed sensitivity in digestive system.</p> <p>Pain in joints and fingers. Severe pain in right knee. Physical activity (surfing) helped.</p> <p>Possible Lyme Disease</p> | | |
| Meds | Ibuprofen on and off 400mg/day for 1 week only | | |

Case # 2

Case # 3

| | | | |
|-------------|---|---------|--------------------|
| Date: | Apr 19, 2018 | Age: 46 | Gender: Female |
| Profession: | Medical Consultant | Dx/C/o: | Multiple Sclerosis |
| History | <p>M.S. diagnosed 9 years ago. Woke up with Intense headache.</p> <p>Current symptoms: Always very fatigued, trouble walking-feel like I have a limp in my legs.</p> <p>MRI: lesions found on my brain, spine, cervical, lumbar, thoracic</p> <p>2 years ago: Took out 4 amalgams. Had these when I was a kid. At one point, they took it out and replaced. Then when I was in my early 20's and also during teenager, it was a constant thing with my teeth.</p> <p>When 8 months pregnant with my son, ate salmon, I was vomiting and vomiting.</p> <p>After I had my son, I ate salmon again and got sick again, same reaction. Then same reaction happened to filet of sole. Saw allergist and he said I was allergic to all fish except shrimp and tuna.</p> | | |
